Excitement is building for the re-opening of our expanded and upgraded facility. We are on the road again this winter and spring, bringing shows to three great venues. Thank you to our funders and supporters for your belief in our vision. It has never been more important than these past 5 years, with the COVID-19 crisis and then our construction project.

**We wish to acknowledge the support of  
our many funding partners and sponsors.**

## Executive Director's Message

These days there is an extra spring in our step. After eight years and countless meetings, our expansion and renovation project is well underway. We have enjoyed the opportunity to deliver shows in venues around the county, BUT are looking forward to a grand re-opening in 2024.

The upgraded and expanded facility will be called the deCoste Centre for Arts and Creativity. If you haven't already visited [www.culturehubpc.ca](http://www.culturehubpc.ca), drop by and get a look at the plans and our progress. It is only once in a generation that a community gets a chance like this, so we are leaving no stone unturned. We can't wait for you to see the completely refreshed theatre, a large modern public library, spaces for artists to create and exhibit, office and meeting space for cultural and community group usage, over 20 public art elements, expanded parking, bold glass facades facing Water Street, the waterfront, and Jitney Trail, larger and improved washrooms, a new full-service kitchen, many new accessibility features, numerous energy/ carbon reducing measures including a large solar array and so much more.

We are excited to offer a wide range of shows scheduled between January and May. We know that costs everywhere have risen, so we have worked hard to offer many discounts. For the first time, we are offering opportunities to save through buying multiple shows in a series. Membership is the best deal in town. We practically pay you to become a member!

See you soon at a show!

Troy Greencorn, Executive Director — deCoste Centre for Arts & Creativity

## deCoste Centre for Arts and Creativity

The deCoste Centre for Arts and Creativity will host a cluster of arts and community organizations and activities in one building. As we all age and rural populations get smaller, it makes good sense to bring organizations together to share facilities.

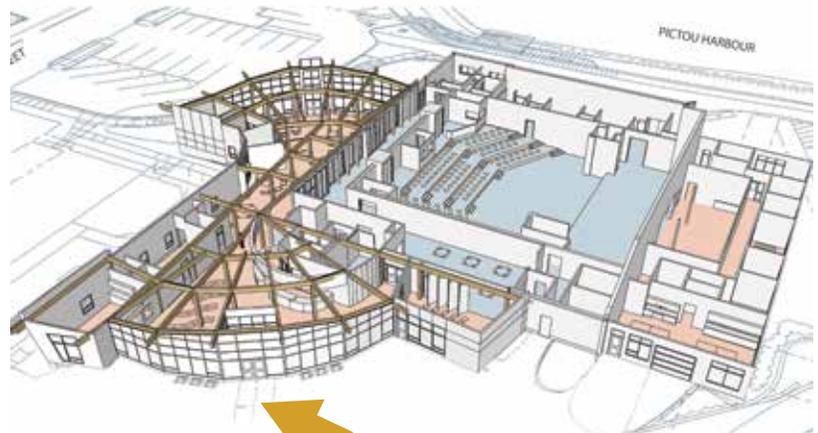

### Why?

- Organizations spend less on operating costs and overheads and more on their services to the community.
- Traffic is pooled. If 2,000 residents use the library each week, that is 2,000 sets of eyes that see posters and promo in the building for upcoming shows. The same works in reverse, with show attendees learning about library programs.
- A facility like this helps to recruit families to our region, not just workers, and helps with employee retention.

### A Joint Vision, Patience, and Persistence

Eight years ago, the Town of Pictou asked the deCoste and Pictou Antigonish Regional Library Boards to consider creating a vision to bring both organizations together in a modern new building. The deCoste had many age and growth-related needs (more washrooms, lobby space, parking, etc.). The current library, housed in the Town of Pictou municipal building is dated, lacks adequate program space, and is not fully accessible. The advantages were quickly identified, and an exciting vision quickly emerged.

This once-in-a-generation project more than doubles the current square footage. The new design allows for much more to happen under one roof enhancing the sustainability of all the partner organizations in the long term.

Water Street Entrance

## What Can You Expect?

### The Building will:

- bring together a full-scale performing arts centre, modern public library, enhanced meeting/event space, art production and exhibition spaces.
- welcome patrons with bold glass facades from both Water Street and the waterfront.
- greatly expanded library programs and services with exciting new book collections, public access to technology resources, opportunities for collaborative programming and multiple gathering and meeting spaces.
- feature an expanded Murray Room, and adjoining community room, with a kitchenette.
- showcase of over 20 public art elements commissioned from a diverse mix of artists.
- feature a completely refreshed theatre space with new seating, carpet, and many audio/lighting video enhancements.
- be built to net-zero-carbon-ready status, with a large roof-top solar array and multiple energy-conserving systems and technologies in use.
- be built with many accessibility-enhancing systems and features in place.
- include enhancements to the site such as street and harbour patios, a harbour boardwalk, improved and accessible parking, pedestrian-level lighting, and electric vehicle chargers.

### A much broader mix of activities:

This new building will empower both the deCoste and the library to expand their programs and user base. Partnerships will flourish and new programs and services will be launched. One need only visit award-winning libraries in Antigonish and Halifax to see just how diverse the activities can be.

This is not the library of your grandparent's era. It is an exciting hub of activity for the whole community that will enhance our quality of life for a generation. It is now months, not years until the facility is completed and reopens.

## Become a Donor

We are in the home stretch in our fundraising campaign. Hundreds of donations of all sizes have helped us get 95% of the way to our \$1.7 million community fundraising target. Every donation is appreciated and gifts of \$250 and up come with recognition in the new building. Keep an eye out for our **“Take a Seat Campaign”** (to help us replace the theatre’s seating), early in 2024. Please contact us at [thefinalmile@decostecentre.ca](mailto:thefinalmile@decostecentre.ca) to express your interest in donating to our campaign.

Merle Haggard – “the Poet of the Common Man” – is widely considered one of the most important singer-songwriters in the history of country music. During a career that lasted from the 1960s until his death in 2016, he recorded more than 70 albums and had over 40 #1 singles.

Merle says that “Country music is about those things that we believe in but we can’t see – like dreams, and songs, and souls.”

Lawrence Maxwell is a PEI-born singer-songwriter, a multiple Music PEI award winner, and ECMA-nominee with three studio albums under his belt. He has developed a show that weaves songs and stories from the turbulent and triumphant life of “The Hag.” From the hits that made Merle famous to the songs that slipped by the wayside.

\$40 + fees & taxes = \$52.33 | Members \$37 + fees & taxes = \$48.88

The music of Fleetwood Mac is recognized and loved by many. Songs like "Dreams", "Go your Own Way", "Rhiannon", "Don't Stop" and "The Chain", bring memories flooding back.

Vocals by Sharon Resky, Jon Cornwall (keyboards & guitar) and Sheila Lamplugh (keyboards) blend like Stevie Nicks, Lindsay Buckingham and Christine McVie. Don Morash's guitar playing makes you feel like Lindsay Buckingham is in the songs. Aran Hill plays a fretless bass that John McVie would be proud to listen to. Every detail has been painstakingly reproduced, from the Smoking Cannons & the Hell's Bell stage props to Angus's school boy outfit. An explosive show that includes the signature live antics and lead singer's absolute dead-on vocal rendition of both Bon Scott to Brian Johnson.

Lead vocals that belt out the high notes effortlessly whilst strutting the stage the AC/DC trademark style. This act is a must-see show performed by experienced true professionals, who are down to earth blokes.

David Francey is a Scottish-born Canadian carpenter-turned-songwriter, who has become known as “one of Canada’s most revered folk poets and singers” (Toronto Star). For decades, he worked across Canada in rail yards, construction sites, and in the Yukon bush, all the while writing poetry, setting it to melodies in his head and singing it to himself as he worked. A truly authentic folk singer, Francey is a documentarian of the working person who never imagined earning a living from his music. His first album *Torn Screen Door* came out in 1999 and was a hit in Canada. Since then, he has released eleven albums and won three Juno Awards.
